

LPA SUNFLOWER CHAPTER 70

lpasunflowerchapter.com

Little People of America

NOVEMBER 2016

What's Happening

Although not everyone is pleased with our Presidential Election results for the United States of America, we can safely say that EVERYONE will be pleased with the new officers of our LPA Sunflower Chapter. They were elected by an overwhelming majority vote at our Salina meeting in October. We are thankful for those that are willing to take a leadership role so that our little chapter can continue to thrive and support those with short stature and their families. Change will bring new life and great things both here in Kansas and beyond.

Please give a shout out to our new officers:

| | |
|--------------------------|------------------|
| President | Sheri Boykins |
| Vice-President | Petey Eshleman |
| Social Media Coordinator | Marcella Stanley |

As the new officers transition into their new roles we will keep you posted on future meetings. Our chapter will be hosting the 2017 Fall Regional for District 7 in Wichita. We hosted in 2011 and 2014.

Salina Fall Gathering

We had a great turnout in Salina in October. A special thanks to the Eshleman family for hosting our fall gathering. We had new members, great snacks, fun crafts, and could not have asked for better weather. Such a successful meeting with newly elected officers of our Sunflower Chapter. Thanks to all for coming.
